

CORPORATE MEMBERSHIP PROGRAM (CMP)

"As a charter member company in FEI's Corporate Membership Program, Microsoft is provided with the opportunity to engage more senior-level finance executives in FEI to experience the vast array of benefits associated with being a member of this premier organization."

FEI plays an active role in shaping the dialogue on corporate reporting and governance, and as a membership organization comprised of financial executives who are required to support and comply with new standards and regulations, they provide unique insight and best practice sharing across the industry."
